Title: Dunsborough Beach Tree

GPS: -33.6038056,115.1029325

Living on the Edge. The tree I chose was a Melaluca that is nestled amongst the rocks on the edge of the beach and close to the ocean. For as long as I can remember it has survived on this site in the Old Dunsborough area. It is knarled, but hardy with leaves that are designed for survival.
