Title: Foreshore Fig

GPS: -33.6516,115.3473

This impressive Moreton Bay Fig tree (*Ficus Macrophylla*) shading the KYST Restaurant on Busselton's foreshore parade caught my eye as it stands resolute and proud to introduce relaxed walkers to the iconic Busselton Jetty. Its ghostly sculptured white trunk contrasting with its shady halo invite locals and visitors to relax and take in the spectacular Geographe Bay view.
