

One Tree Art Prize

Artist: Claire Slater

Title: Joshua Tree

GPS: -34.0117531,116.1661949

The Joshua Tree NP is so unique, with all these unusual trees and huge rock formations in a dry landscape.

I visited with my family in 2018, enjoying a picnic lunch in the shade on a hot September day.

Blissfully unaware this is rattlesnake territory!!
