LUDLOW TUART FOREST RESTORATION GROUP

Emergency Evacuation Diagram

Ludlow Forest RV Park

Stage 1 pilot · Self-contained RVs only

BUSHFIRE: LEAVE EARLY

There is no safe shelter here. Do not shelter in any building.

LEAVE IMMEDIATELY IF

- you see smoke or fire nearby
- you get an Emergency Warning to evacuate
- you hear **three short blasts** on the air horn
- the Warden, emergency services or the campground contact tell you to go

HOW TO LEAVE

1. Everyone into your vehicle. Essentials only.
2. Drive to the **muster point** at the entrance gate and follow the Warden.
3. No Warden there? Check Emergency WA, then drive **away from the fire**.
4. Didn't stop at the muster point? Text or call **0427 842 841**.

Busselton (primary, 15 min): left out of the gate, south on Ludlow Rd North → Tuart Dr → Bussell Hwy → Queen Elizabeth Ave → Recreation Lane (Geographe Leisure Centre)

Capel (secondary, 10 min): right out of the gate, north on Ludlow Rd North → Stirling Rd → Bussell Hwy → Capel Dr → West Rd → Roe Rd (Capel Community Centre)

Extreme fire danger or Total Fire Ban: be ready to go; spend 10am–4pm in Busselton.

Catastrophic fire danger: the campground is closed.
