

## **One Tree Art Prize**

**Artist:** Elle France

**Title:** Old Pine Vincent Way Rottnest

**GPS:** -31.0011968, 115.516946

The old pines along Vincent Way feel almost sentient, weathered, stubborn, and quietly enduring. I like to imagine they're all-knowing, having witnessed every passerby who's walked beneath them or paused in their shade.

Painting one felt like honouring an elder of the island: dignified, resilient, and deeply rooted in Rottnest's salty, sun-bleached, checkered history.
