

## **One Tree Art Prize**

**Artist:** Katja Lamb

**Title:** Our Mother/Elder Paperbark

**GPS:** -34.95812, 117.37886

An Elder Paperbark in remnant Wetlands, this tree has such dignity and presence. Wide hips holding her steady to the earth, her body gnarled, upright yet, arms and limbs twisted, reaching... She is so story filled; all the things She has witnessed. I wish I spoke her language. Instead, I've drawn her portrait.
