

## **One Tree Art Prize**

**Artist:** Irene Stephens

**Title:** Yornup

**GPS:** -34.12936, 116.20724

My tree sits in a paddock in Yornup it is an old tree and beside it there is a rusted-out automobile; only the body remains. It sits under the shade given by the tree.

There is no pathway or any sign of how it got there; but it is the final resting place. An estimate would say the car is over 80 years old and they sit in harmony.
